

Christopherus Homeschool Resources: Consultation Questionnaire Part A: Your Family

Here are some basic questions about your family. Please be as detailed as you can, including any other information that you think we need to know about and skip any questions you do not wish to answer. Completed forms - Parts A and B - can be mailed to P.O. Box 231, Viroqua, WI 54665, USA. Please include several examples of your child's most recent work such as drawings or, for older ones, samples of writing. If you would like to, please send a photograph or two of your family.

Your name:

Please list the names (and children's ages) of family members:

Address:

Telephone:

e-mail for correspondence:

Tell us about the constellation of your family: Who will be doing the homeschooling? (one parent entirely or mainly, shared, involving non-family members, etc?) Who's the main breadwinner in your family and what do they do? Are you divorced, a blended family, etc.?

Tell us about your decision to homeschool:

What is your relation to Waldorf education?

List 5 words which you'd use to describe Waldorf education:

What would you like your homeschool to be like?

Which things in your family life support your decision to homeschool?

Which things in your family life make this decision difficult or challenging?

What do you need from Christopherus Homeschool Resources?

Are there any cultural or ethnic issues/identities which you want to include in your approach to homeschooling? (e.g. Native American, African American, etc.) Is English the native tongue spoken in the family? Are other languages spoken in your family?

Please share any information about your family's religious/spiritual practices which we should know about:

Tell us about family games, pastimes, sports, music etc. that your family regularly engages in:

Briefly describe your home and locality:

How did you find out about Christopherus Homeschool Resources?

Anything else?
